

**Remarks**

This is in response to the Office Action dated May 12, 2005. This Office Action issued a Restriction Requirement, indicating that Claims 1-2 and 5-6 (Group I) and Claims 3-4 (Group II) were patentably distinct from one another and, as a result, were subject to Restriction/Election.

In response to this Restriction Requirement, Applicant elects to pursue Claims 1-2 and 5-6 for further prosecution in the present application. Applicant hereby cancels claims 3-4. Applicant reserves the right to present any canceled or withdrawn claims in a separate patent application or in the present application should such presentation be appropriate.

Allowance of pending claims 1-2 and 5-6 is requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "David W. Herring", is written over a horizontal line.
